

*IAF Resolution 2017-19* – (Agenda Item 9) Non-Accredited Personnel Certification where the CAB is accredited for the same scope and Transitional Arrangement

The General Assembly acting on the recommendation of the Technical Committee resolved that IAF Accreditation Body members shall have legally enforceable arrangements with their accredited CABs for personnel certification that prevents the CAB from issuing non-accredited persons certificates in scopes for which they are accredited.

The enforceable arrangements shall require full implementation within three years from 30 October 2017.

Additionally, CABs for personnel certification shall transition certification documentation to include the accreditation symbol and/or shall make reference to the accreditation status of the CAB including the identification of the AB, at the time of recertification decision; no later than 30 October 2020.

When granted initial accreditation (for ISO/IEC 17024), after 30 October 2017, a CAB shall transition (re-issue) previous unaccredited certification documents and/or make reference to the accreditation status including identification of the AB, within one year of the accreditation decision.

Note: If there is an exception to the above, the CAB must justify the exception to the AB, and if accepted by the AB, the certification is still considered accredited.
